

# HEALEY NEWS SOUTH-WESTERN

**Volume 10 Issue 1 2019**

Hello everyone,

With the Christmas festivities behind us, it's time to wish you all a Happy Healey New Year. As always the winter months are when your Committee get together to organise the calendar of events for the coming year and 2019 is no exception. We've decided to take a slightly different approach with "Drive My Healey" events this year. Instead of formal pre-arranged dates and routes the idea is to have a "Whatsapp" communication group. Dependant on the weather and availability we'll instigate a meetup and drive to a location of interest!! To help get this rolling, we need a small amount of input from yourselves please. If you could drop Steve Rundle an email ([steverundle57@gmail.com](mailto:steverundle57@gmail.com)) with your mobile number he'll send you instructions regarding installing the App if you don't have it and add you the Whatsapp Group. It may sound a bit IT Techie but trust me it's really straight forward to use – honest!

We are also going to change the format of the monthly Cotswold "Noggin" at the Kilkenny Inn. We have selected 3 roving Pub venues around Stroud, Cirencester and Tewkesbury (dates to be published on the SW website). Hopefully, this will give us a good excuse to get the Healeys out for a different country drive. Full details of all our planned events will shortly be uploaded to both the SW website, National website's event planner and in Revcounter. Just in case you're not aware there has been a few changes to the committee which is now as follows:

Chairman - Dave Griffin  
Director - Rob Hudson  
Secretary - Steve Rundle  
Treasurer - Tony Alden  
Media & Comms and Membership - Mark Knight  
Competition Secretary - Mes Edwards  
Working Members - Paul Mead & Jeremy Wells

Many thanks to the outgoing and incoming working committee members. As from October 2018 I've taken on the chairman role and following on from Rob is a tough task, so if you have any thoughts or ideas I would be pleased to hear from you. It's time to get the Healeys ready for another great year and I'll be out in the garage over the next few months to fettle some metal work.

Best wishes to you all and I look forward to seeing you soon.

Dave Griffin
